# Welcome...

**Located on the edge of Dartmoor, we are just off the A38 Devon Expressway at Ashburton, between Exeter and Plymouth.**

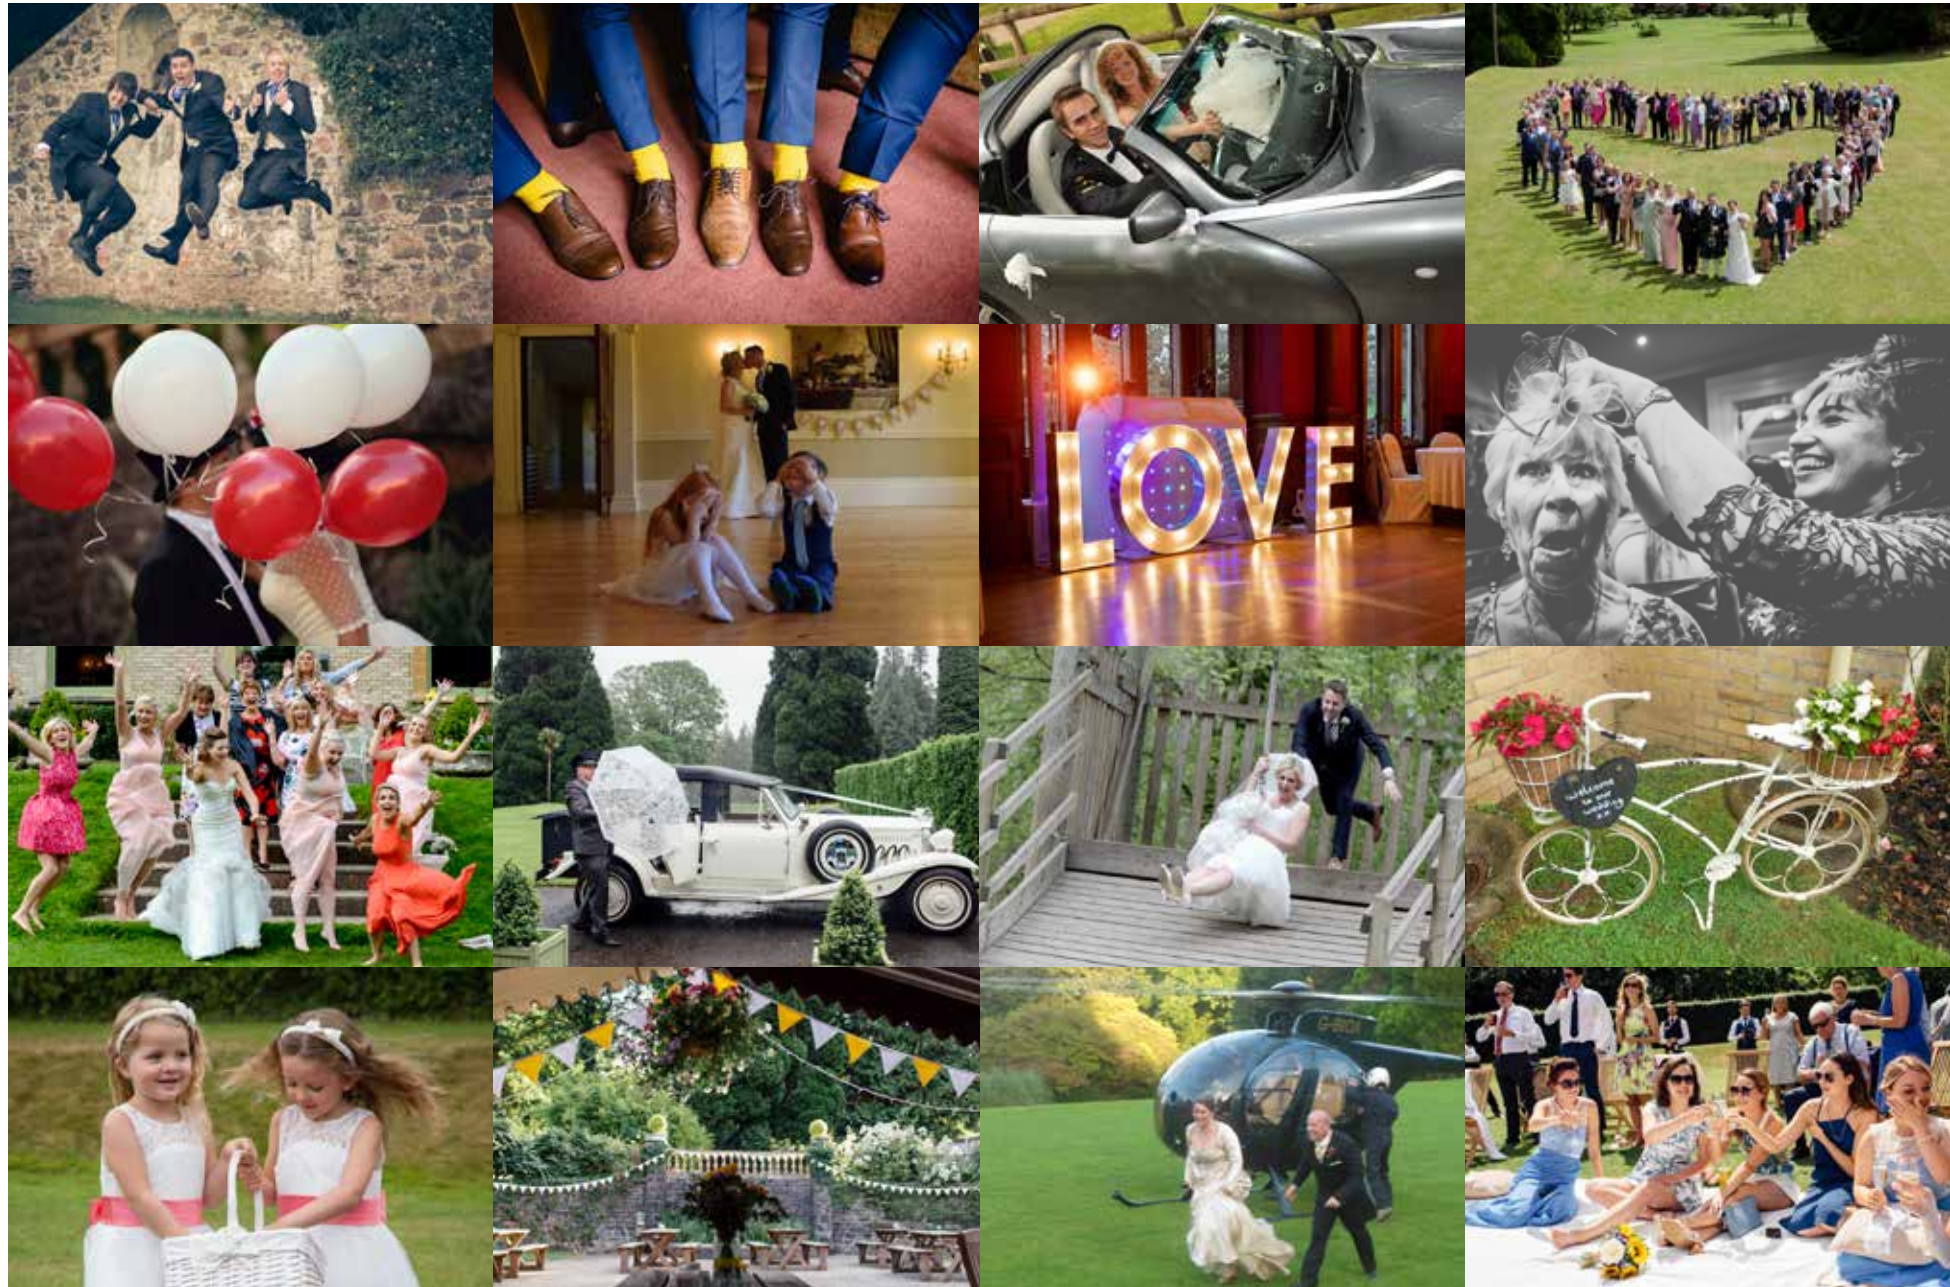

Our beautiful house and private lawns are offered for exclusive use. Tucked away in 90 acres of gardens, lakes, rivers and woodland, we offer easy access to the rest of the estate – the ever popular River Dart Country Park.

All our reception rooms are licensed for weddings. We have a selection of freshly prepared, locally sourced menus, a range of accommodation and deliver award winning customer service.

Our environmental ethos has been recognised nationally and we are very proud of our eco-friendly values.

# Your Day

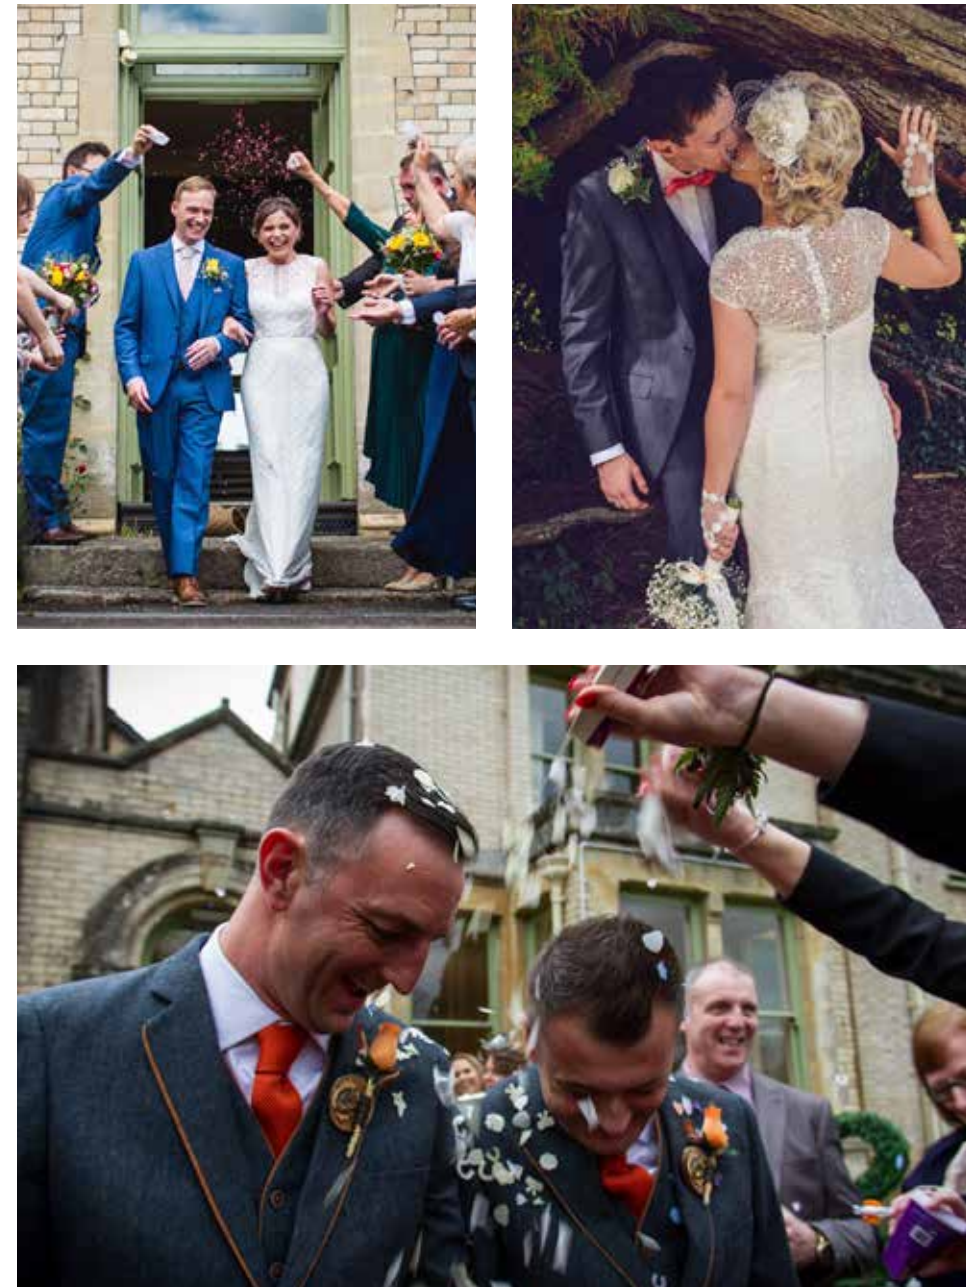

We pride ourselves on having a flexible approach to your wedding.

Use the rooms in your own unique way, select a menu that suits your style, pick your favourite places for fun-filled photos.

Our friendly team will ensure that your day is truly yours!

# Celebrate

Our interconnecting reception rooms easily adapt to host a myriad of individually styled weddings.

The maximum number of guests for a seated meal is around 83 (depending on your table plan). For less traditional, or evening celebrations, we can welcome up to 200 guests.

Guests can indulge in the beautiful setting, take advantage of the free car park and explore the estate and adventure playgrounds.

# Feast

We offer a range of tempting food and drink menus that allow for all tastes and budgets, whilst also keeping abreast of changing trends.

Alternatives can be offered to suit dietary requirements e.g. vegetarian, vegan, gluten free, dairy free etc.

All menus and prices are available to download from our website.

# Sleep

**We offer a wide range of overnight accommodation that is competitively priced.**

Choose from our elegant range of doubles, twins or family rooms – all are en-suite, have televisions and tea/coffee making facilities. Our en-suite dormitories offer excellent value for money.

The spacious wedding suite, with its four poster bed and secret connecting room, is perfect for preparation both the night before and morning of the wedding.

A full Devon breakfast is included in the bedroom price. Guests who choose to use our 4\* AA rated campsite are welcome to join you for breakfast in the house.
